## Report of Principal and School Improvement Council

Bluffton Middle School (BLMS) staff and students worked hard in the 2011-2012 school year to maintain and advance the wonderful start of our inaugural year. Our state-of-the-art facility was well maintained and our resources were used wisely to advance student success in a caring and support learning environment. Over 900 6th and 7th grade students, assisted by over 80 professional staff, participated in our dynamic learning environment each day.

Our ongoing work in the areas of technology use and 21st century literacy acquisition was celebrated as our school earned the South Carolina Middle School Technology Innovation Award this year. Our students produced and published authentic work throughout the school year. Students participated in a digital science fair and students qualified for the Regional Science Fair. Outdoor studies included an overnight field trip, museum visits, math and science experiments, visits from local naturalists and artists, kayaking, and more.

141 BLMS students qualified as Duke Tip Scholars. Students showcased their talents in four productions of Cinderella, The Musical. Sixteen students were selected for the All-County Band and the BLMS band scored an "Excellent Rating" at the BCSD County Festival. A Night of the Arts celebrated the arts and showcased student talent. Students were selected monthly by their teachers as "Mustangs of the Month" based upon overall student performance and following the Mustang Path. Teachers also selected Mustangs of the Year from each team. Students participated in a cross-curricular unit of study based on the national program "River of Words." The project integrated English Language Arts, Geography, Science, and Visual Arts. A Spelling Bee and Geography Bee was held. Students participated in Family Math Night, World Math Day and Pi Day. On November 10, we hosted the Sun City Veterans Association for a presentation to students and community members honoring and thanking the veterans in our community. Staff and students participated in our 2nd Annual Health Fair held in October. It was an opportunity for all to share information about good health practices. Over 375 students were honored at our June Awards Ceremony for making either the Principal's honor roll or honor roll. 132 6th and 7th grade students were inducted in to the National Junior Honor Society. 50 students were inducted in to the Ladies Club and Gentlemen's Club. These clubs focus on teaching young men and women leadership, respect and etiquette.

Our students participated in a variety of community service projects. 180 stuffed animals were collected and donated to our local Cancer Thrift store by our student council. Over 100 Gently-used coats, sweaters and jackets and over 200 canned goods were donated to the Bluffton Self Help. We donated \$150.00 to the 911 Memorial Fund by sales of 9/11 ribbons. Our students raised over \$400 and our generous PTO matched what was collected for a local student and his heroic battle against cancer. Students collected pop tops to help provide free dental work for members of our community. 8 families in our community had a memorable Christmas due to the nearly 200 gifts donated during the holiday season.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
